# DermaQuik<sup>®</sup> NEEDLE-FREE, ONE-HANDED SKIN CLOSURE

BY DermaClip<sup>®</sup>

## HIGH QUALITY CLOSURE ANYTIME, ANYWHERE

Each DermaQuik device provides 1" of high quality closure every time.

### 2 PACKAGING OPTIONS

#### LACERATION KIT

- Everything you need to close a wound
- 2 devices, gauze, alcohol swabs, dressings

#### MULTI-PACK (DEVICES ONLY)

- Just add to your First Aid Kit
- 3 packages of DermaQuik devices

### 2 ADHESIVE OPTIONS

#### HOME & FIELD

- Use to close most wounds
- Utilizes a gentle, long-lasting adhesive that works on most skin types (including kids)

#### SPORT & EXTREME

- For the outdoorsman, sportsman, or wilderness enthusiast
- A more aggressive adhesive (3.5x tackier than Home & Field)
